

Sampi Website Privacy Statement

1. Scope and Introduction for all Website Visitors

The Sampi Privacy Statement (“Statement”) explains how personal data is collected, used and disclosed by Sampi when users access and use the services and features offered on our website www.sampi.it and any of our other websites or mobile applications that link to this Statement (the “Sites”).

This Statement is supplemented, and are incorporated herein, by the Sampi Cookie Notice <https://www.sampi.it/cookie-policy> and the Sampi Business Contact Privacy Notice <https://www.sampi.it/privacy-policy>

International Users of the Sites - users from different countries and states may visit the Sites. Section 1 of this Statement applies to all users. Depending on your place of residence, further sections may apply to you.

This Statement is supplemented, and are incorporated herein, by the [Sampi Cookie Notice](#), the [Sampi Business Contact Privacy Notice](#), the [Sampi Job Applicant Privacy Notice](#), the [GDPR Privacy Addendum](#), the [PIPL Privacy Addendum](#) and the [California Privacy Addendum](#). In addition, the websites of our business units may contain additional or different privacy statements.

2. Collection of Information

We collect the following information on our website:

a) Information We Collect Automatically:

When you access or use our Sites, we automatically collect the following information which is stored separate from other data that you may provide to us. We use this information to provide the Sites to you, deduce statistical and anonymous information about the users of the Sites and for the technical administration and the security of the Sites:

- **Log Information** – We log information about each session and the use of the Sites, including the type of browser you use, access times, pages viewed, your IP address and the page you visited before navigating to our Sites.
- **Device Information** – We collect information about the computer or mobile device you use to access our Sites, including the hardware model, operating system and version and mobile network information.
- **Information Collected by Cookies and Other Tracking Technologies** – We use various technologies to collect information, specifically cookies and web beacons. Cookies are small text files that a website or its service provider transfers to your devices, such as mobile devices or computers, through your web browser (if allowed by you), that enables the websites or service providers’ systems to recognize your browser and capture and remember certain information. We use cookies to understand and save your preferences for future visits and compile aggregate data about site traffic and site interaction. Our Website and our emails may also contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit IDEX, for example, to count the number of users who have visited those pages of the

Website or opened an email and for other related statistics (for example, determining the popularity of certain content and verifying server integrity). Please see our Sampi Cookie Notice <https://www.sampi.it/cookie-policy> for more information on our use of cookies.

b) Information You Provide to Us:

We also collect information you provide directly to us. For example, when you visit the Sites, we collect information when you request to create an account, respond to a survey, participate in any interactive features of the Sites, sign up for a newsletter or provide general feedback. The types of information we may collect include your name, company name, title, street address, telephone number, email address and any other information you choose to provide. We collect this information for offering the function that you use respectively.

3. Use of Information

We may use information about you for various purposes, including:

- Providing our Sites to the users; Maintaining and improving our Sites;
- Providing and improving our customer service, including responding to your comments, questions and requests (e.g. product queries or technical questions);
- Analyzing and managing our business;
- Establishing and managing our business relationship, *e.g. when you as a customer contact us via one of the Sites and we connect this request to your business account*;
- Improving our IT security;
- Defending our legal interests, *e.g. when claiming remedies of attacks on our website*;
- Processing employment inquiries;
- Communicating with you about services, offers, promotions, rewards, and events offered by IDEX and others; and
- Carrying out any other purpose described to you at the time the information was collected or for any other purpose with your consent.

We may also use your information to contact you about our own goods and services that may be of interest to you. If you do not want us to use your information in this way, please see the section of this privacy notice entitled "Choices About How We Use and Disclose Your Information."

4. Recipients and Categories of Recipients of Personal Data

We do not share, sell, or otherwise disclose information about you for purposes other than those outlined in this Statement. However, we may use and disclose aggregated information about our users and other information that does not reasonably identify any individual, without restriction. We may share information about you as follows or as otherwise described in this Website Privacy Statement and in each case only in accordance with applicable law. Possible recipients or categories of recipients of your personal data are:

- Other IDEX group companies if such a transfer of personal data is required for the specific purpose (you can find a list of the IDEX group companies [here](#));

- Vendors and channel partners such as distributors and sales representatives for the Company' products;
- Service providers who process personal data on our behalf but have to follow our instructions on such processing; IDEX will undertake all reasonable efforts to ensure these service providers will not be allowed to use your personal data for purposes other than the purposes defined by us;
- Authorities, who we are obliged to provide your personal data to, e.g., *tax authorities or healthcare authorities*;
- Auditors or similar external consultants such as lawyers or tax advisors;
- Authorized third parties in response to a request for information if disclosure is in accordance with any applicable law, regulation or legal process, or as otherwise required by any applicable law, rule or regulation;
- External investigators, consultants or authorities as permitted by law in order to investigate, prevent or take action regarding illegal activities, suspected fraud, infringement of our intellectual property rights, situations involving potential threats to the physical safety of any person, violation of the terms of our agreements, or as otherwise required by law;
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of IDEX, our customers, or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.
- Potential purchasers and their advisors in the context of mergers and acquisitions, to whom we may transfer your personal data subject to appropriate confidentiality obligations, in the event we decide to dispose of all or parts of our business; and
- To other recipients with your consent or at your direction, including if we notify you through our Sites that the information you provide will be shared in a particular manner with particular people and you provide such information.

5. Social Sharing Features

On our Sites, you can interact with social networks operated by third parties as set out below.

6. Security

IDEX takes reasonable measures to help protect information about you from loss, theft, misuse and unauthorized access, disclosure, alteration and destruction. However, no security system is impenetrable and we cannot guarantee the security of our systems 100%. In the event that any information under our control is compromised as a result of a breach of security, we will take reasonable steps to investigate the situation and, where appropriate, notify those individuals whose information may have been compromised and take other steps, in accordance with any applicable laws and regulations.

If you have any questions about this privacy policy, the data processing practices of Sampi, or our Sites, you can contact us at sampi.gdpr@idexcorp.com or privacy@IDEXcorp.com.

7. Do Not Track Signals

Some web browsers permit you to broadcast a signal to websites and online services indicating a preference that they “do not track” your online activities. At this time, we do not honor such signals and

we do not modify what information we collect or how we use that information based upon whether such a signal is broadcast or received by us.

8. Choices About How We Use and Disclose Your Information

We strive to provide you with choices regarding the personal information you provide to us. We have created mechanisms to provide you with the following control over your information:

Cookies. Most web browsers are set to accept cookies by default. You can block cookies by activating the setting on your web browser that allows you to refuse the setting of all or some cookies. These settings are usually found in the 'options' or 'preferences' menu of your web browser. In order to understand these settings or get further information, refer to the documentation provided by the provider of the web browser you are using. For further information about deleting or blocking cookies, please visit: www.allaboutcookies.org. However, if you use your browser settings to block all cookies (including essential cookies), you may not be able to access all or parts of our Sites or perform certain functionalities of the Sites. For additional details about the cookies used in our Sites, please visit our Sampi Cookie Notice <https://www.sampi.it/cookie-policy/>.

Promotional Communications. You may opt out of receiving promotional emails or messages from **Sampi** by following the instructions in those emails or messages or by using other tools we may make available or by emailing us at sampi.gdpr@idexcorp.com or privacy@IDEXcorp.com. If you opt out, we may still send you nonpromotional communications, such as those about your account or our ongoing service relationship.

9. Accessing and Correcting Your Information

General. You may at any time review or ask for the rectification or removal of your information by contacting us at the contact information shown below. However, note that we may retain certain information as required by law or for legitimate business purposes. We may also retain cached or archived copies of information about you for a certain period of time.
